Welcome from the Mayor

Welcome to the 2016 Golden Onion Days Celebration! I am proud to call Payson my hometown, and I am honored to represent this great city as its mayor. Payson has a rich pioneer heritage, and we cherish the hometown traditions established by the many generations of people who have called Payson their home.

Our award-winning float represents the beautiful Nebo Scenic Byway. This year's theme is, **"Our Hometown Celebration."** I challenge each of you and your families to get outside and explore our beautiful surroundings. There will be a variety of entertainment and fun-filled events planned throughout this year's celebration. I know you will have a delightful hometown celebration during this year's Golden Onion Days.

We are also deeply grateful for the financial support provided by the many generous sponsors who have stepped forward to ensure the success of this celebration.

Sincerely,

Rick Moore, Mayor
Payson, Utah

History - Why We Celebrate Golden Onion Days

Payson City's annual Golden Onion Days celebration will mark its 87th anniversary this year! This widely enjoyed tradition began back in 1929, started by the city's mayor, L.D. Stewart. The following is the official declaration as it appeared in the Payson Chronicle:

PROCLAMATION

Whereas many former residents of Payson City feel and have expressed a desire to come back to Payson and bring their friends with them for the purpose of meeting old friends and forming new friendships; and,

Whereas an organization has been perfected and a time appointed with the object of making it possible for all finding it convenient to meet here on the appointed time; and

Whereas September 12th, 13th, and 14th, 1929 is the appointed time and the occasion has been designated as "ONION HARVEST AND HOME COMING" celebration; and,

Whereas the citizens of Payson City are putting forth much effort to make this occasion a success and it is apparent that much good may come to Payson City and the inhabitants thereof and the friends who reside elsewhere, in making Payson and vicinity popular as an agriculture district and outstanding in the production of the onion.

Now therefore, I, L.D. Stewart, Mayor of Payson City, Utah do hereby proclaim September 12, 13, and 14, 1929, as the time for the first celebration known as "ONION HARVEST AND HOME COMING" and I urge all citizens to aid in every possible way to patronize and popularize this event.

I do further urge that all businesses, homes, and schools be closed Friday the 13th, and that all unite in making the parade an outstanding success.

In witness whereof I have hereunto set my hand and caused the corporate seal of Payson City, Utah, to be affixed this 6th day of September, 1929.

L.D. STEWART, Mayor of Payson City

Source: Payson Chronicle, 1929 (<http://www.paysonads.com/>)

The celebration, later renamed "Payson City Golden Onion Days," was officially acknowledged by the Utah State Governor, Henry H. Blood, in 1933. He wrote: "Greetings to the celebrants at Payson this year. Your festivities are three-fold. You honor the onion as typical of the great agricultural resources of Payson and vicinity. You honor labor on the day set apart by the nation as labor's holiday. In paying tribute to the farmer and the working man you recognize basic factors in civilization. Also you honor the old home town, in an outburst of emotion which springs from the heart of human life. Thus I treble congratulate you, and hope this celebration will bring you much joy and lasting happiness."

For over 86 years now, this wonderful city celebration has provided events which have delighted its citizens and kept them coming back each year for more! We invite you to enjoy this year's Golden Onion Days!

Aquatics Center & Skate Park

The place to be for summer fun!

A number of exciting play features make the Payson City Aquatics Center a popular destination for children and their families. The slide tower features a twisty slide and speed flume, while the "lazy river" that encircles the tower provides an exciting way to relax or splash around, passing beneath dumping buckets and a bridge with spray features. The zero-entry splash area features three waterslides and other great spray features for smaller kids. A six-lane competition pool is separated from the leisure pool to maintain a manageable division of the "fun" and "business" sides of the facility.

To attract a different segment of the community, the park also includes an impressive skate park, designed with in-depth input from serious skate enthusiasts.

Peteetneet Museum & Cultural Arts Center

Big city cultural offerings in a family-friendly setting!

This year, the center is celebrating 115 years of culture! Established in 1901, the actual building began in 1897 as a solution to replace four, one-room schools existing at that time. It has served for many years as a school and educational venue. In 1988, the school was restored and turned into a cultural center and museum offering plenty of ongoing activities and instruction to the community.

Today, the Historic Peteetneet Museum and Cultural Arts Center represents an ongoing act of love expressed by the community to all visitors. Not only is it the restoration and preservation of a beautiful historic school building, but it is a gathering place for children and adults who want to enjoy the facility and what it has to offer. During 2015, volunteers donated almost 12,000 hours of their time to share Peteetneet with the many visitors to the facility. The museum and cultural arts center was host to over 34,000 visitors during the same year.

Payson Historical Society

The Payson Historical Society was founded on June 21, 1989 by a group of local interested individuals who wished to preserve the history and artifacts of our community. The main purpose and objective was to collect, maintain, and preserve historic items pertinent to Payson City's history.

The members of the Payson Historical Society work closely with the Peteetneet Museum in supporting the museum and obtaining additional items for the museum displays. The Historical Society has collected almost 600 photos of historic Payson. We are adding to our collection all the time. We have also published a book, "**Payson – Then and Now**" that has been used as a fundraiser. We are currently selling Peteetneet fridge magnets and hat pins to help fund our organization. They are on sale at the Peteetneet Center.

We encourage any individuals interested in Payson history to join the Payson Historical Society. If you are interested, call us at 801-465-5265 to leave your information and we will contact you.

Grand Marshal RICHARD LINDSEY

Richard Lindsey grew up in Pennsylvania, attended Ricks College and BYU, then moved to Payson in 1973. He and his wife, Janice, are the parents of four children—Laurie, Steven, Susan and Karen, who all attended Payson schools and graduated with honors. They are also the proud grandparents of sixteen grandchildren. Both Richard and Janice have given a great deal of service within their church and throughout the community.

Richard is the 'man behind the curtain'... As a highly skilled audio/lighting engineer, he has been the backbone of the Payson Fine Arts movement. Here is just a short list of his accomplishments and contributions to the City of Payson:

- 44 years as a Payson Community Theater Board member and Technical Director
- Board member for both the Huish Theater and Peteetneet Community Center restoration projects
- Audio and lighting technician for Payson Community Theater, Chantilly Lace, Payson Choralais, Payson Jr. High School Choirs, Huff Music Contest, Miss Payson Scholarship Pageants, Payson Golden Onion Days, many high school drama productions, numerous dance companies including the Payson HATU Cloggers
- Additional technical support to the Spanish Fork Theater Company, the Miss Spanish Fork Scholarship Pageant, the Provo Theater Company, and Provo's Freedom Festival
- Training community youth in the art of technical services

For the past 44 years, Richard, with Janice by his side, has succeeded in making the 'Fine Arts' scene in our Payson community a rich and vibrant experience for both young and old. It is an honor to select him as the 2016 Grand Marshal.

Grand Marshal Richard Lindsey and his wife, Janice.

Children's Parade Grand Marshal

Chezney Hope Ortega

Chezney Hope Ortega, 12, is from Payson and attends Wilson Elementary. Chezney was recently selected as the Daily Herald's Utah Valley Student of the Week.

Chezney sings in Wilson's school choir and has an amazing voice, as well as a gift for studying the guitar. She also participates in a peer reading program she where visits third-grade students and helps them with their reading. She speaks Spanish, so she can help bilingual students as well. Chezney won the science fair at Wilson. She also completed the N.O.V.A program, which stresses how to take care of yourself in every way. She was even chosen to read her NOVA constitution in front of parents and local police officers.

Chezney talks about becoming a teacher one day; noting she has been influenced by amazing teachers over the years. She loves to play soccer and is on a city team. She also sings in her church choir and is a leader in her youth group at church.

Chezney is truly a wonderful person. She is trusted by her parents and teachers, and is a fantastic sibling and daughter. Many would say that most of all, she is an amazing friend with a big heart. We're excited to have her as our Children's Parade Grand Marshal for 2016.

To all those who made this possible, THANK YOU!

Thank you to everyone who invested time, money, and heart in making this year's Golden Onion Days a success.

Payson City has many wonderful events that require the efforts of volunteers to make them a success. It takes a lot of hard work, time, and personal sacrifice to make every event possible. We are very grateful for all the hard work and time spent by so many.

Volunteers from across our city, including our elected leaders and city staff, have pulled together to truly make this community-wide celebration a success. Thank you also to our sponsors for their financial support without which none of this could be possible.

Get a

\$100 BONUS

**when you open your
new
checking
account.**

**Bring this coupon to our Payson branch.
Open your new checking account, set up
free direct deposit and free eStatements
to get your \$100 bonus.**

To qualify for and redeem reward, you must bring this coupon to the Mountain America Payson branch, sign up for eStatements at account setup and initiate a monthly direct deposit such as payroll, pension, unemployment, Social Security or other government benefits within 60 days of coupon redemption. Reward will be deposited into account within 30 business days after eStatement setup and initial direct deposit posting. Account must remain open for minimum of six months from reward date, or it will be debited from account at closing. Limit one reward per person, per household. Offer not available on account conversions or in combination with any other offer. Employees of Mountain America not eligible. Reward is considered interest and will be reported on IRS Form 1099-INT. Variable annual percentage yield (1.0% as of 7/1/12) available with interest-earning reward and \$1,000 minimum balance. APY may change after account opening, and fees could reduce earnings on account. Membership required—based on eligibility. Available for a limited time. Subject to change without notice. **Note to FSR:** During application process, enter code "MACUPAYSON" into promotion code field.
